# RESEARCH PROJECT

**Last Name:**

**First name:**

---

## Research project

Your document (no more than **10 pages**, Arial 10, figures included and references not included) should adhere to the following format:

- State of the art and proposed work (must be backed up by references that include the major relevant publications)
- Experimental approaches to be used
- Originality and feasibility of the project
- Expected results
- Expected applications in the medical, social, economic and technological domains
- Expected collaborations
- Work plan for a period of 3 first years

*Formatting references: please use the reference style outlined by the International Committee of Medical Journal Editors (ICMJE), also referred as the "Vancouver" style (title and list of all authors).*

## SCIENTIFIC PRODUCTION

*Last Name:*

*First name:*

---

### **PUBLICATIONS** limited to accepted publications / **INVITED CONFERENCES** / **PATENTS**

For each reference, give the full name and initials of each author in the exact order, full title, name of journal, year of publication, volume number, first and last pages.

*Last Name:*

*First name:*
